Franz and I were on the elevator on our way out to find another MILF. We stopped on some floor and a sexy woman came inside. She must have overheard us because she asked what a MILF was. Instead of lying we decided to tell the truth. To our surprise she seemed kinda interested. She was horny and the more Franz explained the hotter she got. She became so horny that she needed to get fucked. That's exactly what Franz did, he fucked her little tight pussy so hard this MILF will never forget him!
